Dear Sue,

I would like to take this opportunity to thank you for all of your hard work and effort over the past years. You have always been attentive, timely and professional throughout all of our business transactions. You truly care to listen about my business and what makes my business "Vetter Is Better" successful. Every year, I enjoy renewing my calendar placement in multiple townships because my clients, friends, and family look forward to receiving them and I look forward to seeing you and your happy spirit. You are truly a devoted, hard working, business professional. I wish you and the Town Planner Company the best of luck and success in the future.

Sincerely,

A handwritten signature in cursive script that reads "Kevin Vetter".
