

—ACCEPT THE CHALLENGE—

April 10, 2013

In the first quarter of 2013 we have received over double the amount of coupons back from the Town Planner calendars than we did in the first quarter of 2012. Using the Town Planner coupons to advertise allows us to bring customers into our facility so they can experience our excellent customer service and have good clean family fun that makes them want to tell their friends and return in the future.
