

Hey Kenda,

Just a quick note to follow up on our conversation last week.

We are very happy with the July Centerfold Picture promoting our Snow Day at Extreme Ice Center, benefiting the our military personnel. We would like to reserve the July Centerfold picture for all five calendar publications for the 2014 season.

The coupons are coming in on a regular basis, I know that we were not sure how these would work out...WOW what a surprise! Our community benefits greatly from this type of promotional calendar... Residents and local businesses. Thanks for all your hard work within our community.

Looking forward to seeing all the great improvements to the 2014
