Dear Marcia:

Congratulations on the inaugural edition of the Town Planner calendar. We are so fortunate to know you and play a small part in this great success.

Because we're new business owners with limited advertising dollars; making the right choices with those dollars is crucial. Because of your assurance that the Town Planner would keep Foot Solutions on display daily, we took the leap of faith.

We've redeemed enough coupons for January to cover the cost of our ads. The benefits have been wonderful; bringing customers to the store, customers are making larger purchases because of the savings and we are on display in hundreds of homes and offices every day. The Town Planner works!

All the best,

Ann & Brenda
