Dear Dan & Sue,

I just wanted to take a moment to thank you once again for the continued partnership between the Town Planner and St. Louis Union Station.

St. Louis Union Station is always looking for creative ways to advertise and your calendar allows us that opportunity to reach hundreds and thousands of potential visitors to the Station.

As a National Historic Landmark we work hard to associate ourselves with those businesses committed to the community. Your calendar is a testimony to that commitment.

The Town Planner team is not only business savvy and professional but very service oriented all things that are so important.

Thank you again and we look forward to working with you in the future.

Sincerely,

A handwritten signature in cursive script that reads "Frances J. Percich".
