Dear Patricia:

This is our 3rd year of participating in the Grayslake Community Calendar. This calendar mirrors the same values as our business; giving our best to the community.

Our customers tell us how proud they are to support local businesses like ours. And it is fun when we receive comments about our photo in the calendar. Our customers know the value of our coupons. In fact some of them say that they flip through the calendar and clip our coupons upon arrival of the calendar. In addition our coupons provide us with an avenue to meet new customers. In fact most of them keep coming back for service and refer us to others who need our services.

We thank the publishers, Barb Boss and Rich Diesterheft, for helping us promote the annual Lions Club Steer Roast too.

Truly yours,

Joe Kane, Owner
