

Scott,

We are very happy and excited with the results we are receiving with the Town Planner. We have received EXCELLENT customer response to our advertising. We really enjoy the steady flow of coupons through out the year as well as the ability to have localized distribution.

As you know, we have been in business for over 13 years and are approached on daily/weekly basis for advertising. Having tried most of them, I can truly say "Yours works!" This is our second year advertising with the Town Planner and look forward to advertising with you a third year.

Sincerely,

Jody Coltrane
